

# Finding your values and vision

What brings you to facilitation?

**Directions:** Complete each prompt to capture your values and vision for the facilitation work you do in your communities.

***I share global values like these with Mozilla:***

- 
- 
- 
- 
- 

***Drawing from my own experience and my community's needs, I bring these local values to my facilitation work:***

- 
- 
- 
- 
- 

***What does needs-fulfilling facilitation mean to you? What is your vision for it?***

Think of how you would respond to questions like these:

- What kind of teaching and learning are you facilitating?
- Where are you?
- Who else is there?
- What happens as a result of your work?
- How does your work reflect your values?
